Fishing Competition & Family Fun Day

Members of the Hardwicke Bay & District Progress Association have been consulting the community over the last few months to find out what activities people would like to have available. Several people mentioned a fishing competition held in 2006. Thanks to Jim Fiege and his team at the time, records of the event were retained at the Progress Hall. At a meeting on Saturday 22nd August, Jim and Phil Nash kindly shared their memories, ideas and recommendations for this 2016 event.

The Association is pleased to announce receipt of two grants from the Department..... With the first we can upgrade our Website, update the Hardwicke Bay brochure and Newsletter. The second grant is for a Fishing Competition and Family Fun Day to be held on January 2nd 2016. At a recent meeting to elect a Working Party/sub group of the Association we had 9 nominations – we will need more people to help with the planning and people who can help at the event. If you can spare a few hours a month, and/or on 2nd January, please contact Matthew, Judi or Janet for further information.

Can you help with any of the following areas?

- Sharing ideas and planning out the details of the event
- Setting up facilities at the Beach and Hall
- Food preparation and customer service
- Fishing competition registrations, guidelines, taking inquiries from the public, etc
- Childrens Sand Castle Competition and games
- Childrens Fishing Workshop to encourage interest in recreational fishing
- There's lots more tasks – so again, contact us for further information

Another meeting of the Working Party is planned **for 12th September at 2pm**, Progress Hall.

Everyone welcome to come along and find out more about the event and check out how you and your family can enjoy the event and how you can contribute to this fantastic fun day.
